Meet the Challengers

Taryn Volpe and Nikki D'Antonio

YEARS 3 & 4 (SCENARIO 3), 5 & 6 (SCENARIO 4)

Taryn and Nikki are Primary Learning Specialists, Maths Consultants and the founders of Limitless Maths. Their business runs exciting and engaging numeracy workshops for students, exposing them to maths concepts through hands on tasks, puzzles and challenges with a focus on building student mindsets and confidence towards maths. They collaborate with teachers and school leaders to drive positive change in mathematics around Victoria. Taryn and Nikki's passion lies with supporting students to thrive as curious and confident mathematicians!

Andrea Blake

YEARS 3 & 4 (SCENARIO 4), 5 & 6 (SCENARIO 3)

A skilled teacher and specialist in Gifted Education, Andrea loves designing learning experiences that spark curiosity and creativity in young learners! Besotted by all things word-related, Andrea has developed a Challenge that immerses students in enriching language explorations and calls for imaginative thinking from the whole team!

Kim Edwards

YEAR 3 & 4 (SCENARIO 2), 5 & 6 (SCENARIO 2)

Kim teaches English literature and creative writing to university and high school students, and drama and theatre skills to both adults and kids all over Melbourne. She has run book clubs and cabarets, performed Shakespeare and written sonnets, dabbled in Dickens and is best buddies with the Brontes, and while she loves a ripping yarn, she is still convinced everything we get to read and write in our lives is always a thrilling new adventure!

Stephanie Axon

YEARS 3 & 4 (SCENARIO 1), 5 & 6 (SCENARIO 1)

Stephanie has extensive experience in education, having taught for many years as both a secondary school teacher and a primary science and STEM teacher. Her journey has included a long-standing involvement with G.A.T.E.WAYS, where she has served as a program coordinator and presenter. Stephanie's dynamic, hands-on workshops are designed to inspire and nurture the curious minds of children. Passionate about all things science, she enjoys sharing her enthusiasm and love of learning with students.
